## The Visual Cook Book Project

By Sarah

I am working with Kaitlin. She is an IU student. She is nice and pretty. Stone Belt photographers took photos during Advanced Cooking class. We are using these photos to make a cook book. It will be easy to use. Richelle, Jamie, Stephanie, Tasia, Stacey, Annie, Nikki, Jeff, Victor, and I are working on this cook book. Look for it soon!

By Richelle

There is a lot going on with this project. I'm helping out with this project. I'm working with Cecille. She is a good woman. She is from IU. She is funny. The cook book is good. We work together.

## Our Fabulous & Dazzling Up-Cycled Table

New focus topic class called Up-cycling Art. In the class, we use things that are recycled to make new things. So far we have made bracelets out of pop tabs, piggy banks out of cans, and spin art. We redid a table by putting all kinds of pictures on it. It was neat. Up-cycling Art is on Thursdays at 1-3:30 in Room 1.

Stone Belt is developing an employment class with fifty lessons for all three locations; Bloomington, Bedford, and Columbus. Each lesson has questions, vocabulary words, a hands on activity, and a video! The videos are being made by a group of client actors in Columbus. The classes have started in all three locations. If you are interested in participating in these classes, please contact Allison Pack or Adrienne Propsom.
