### Up coming events

- Fathers Day Sunday June 17<sup>th</sup>
- Fish Fry at the fire station in Heltonville IN on the third Saturday of the end of the month.

With summer upon us we all need to remember to wear sun block, hats and all the good fun stuff that we need to do to keep us safe from the sun. Have plenty of water if going to be outside for long periods of time. One tip that might come in handy for you is to carry a rag in a bag of cold water (try to keep the water cold) then when you get hot you can cool yourself down.

Employment had their picnic in May. Some of their pictures are added to this newsletter.

## SPOTLIGHT

### Brandy

Brandy has been with stonebelt for 24 years. Before coming to Larc and becoming a Lifelong Learning supervisor she worked at the Elliot house as the weekend Associate Manager. Brandy was asked what she liked and didn't like about her job. She said that she liked all the people and didn't like to make change. Before working at Stonebelt Brandy worked at Toby's Donut Shop. She has 3 kids and 2 dogs, and cats. In her free time Brandy likes spending time family and relaxing. Her dream vacation would be to go to Hawaii and her favorite color is pink. She has one brother Jesse. I ask Brandy if she had lived in any other state or country and she has lived in New York.

## Pete

Pete is a story about the famous Cincinnati Reds 1<sup>st</sup> baseman. I first started watching Pete Rose when I was 10 years old. When I was 12 I got the Pete Rose rookie baseball card that I keep in storage. When I was 30 I got to see the Reds play the St. Louis Cardinals, the Reds won 5-2.

## A Bad Wreck

Once when I was in kindergarten; it was raining really hard; my mom was taking me to my Aunts house when she drove around a curve she lost control of the car due to wet roads and hit a tree. I was not wearing a seatbelt so I was knocked out. My mom told me that I hit the steering wheel or the dashboard she was not sure. I had a fractured skull and was bleeding out of my right ear. My mom took me to an older mans house and laid me on the steps. The older guy didn't even have a phone; so my mom ran next door to call for an ambulance. The older gentleman put me on the floor for a few minutes because I was crying. My friend's mom picked up my mom so she was not in the rain; so she could call for an ambulance then when I was in Riley Hospital I woke up. My mom asked me what I wanted and I said a doll like Jamie had she brought me books to read, coloring books and paper dolls. The next day I got to go home!
