I'm going to my moms' house for the weekend and while I'm there see and play ball with the dog. Then go in and have a snack and play my Mario game to see how high of a score I can get. Later on that day I'm going to help clean up the yard. When I'm done with the yard work I will take a nap then watch TV until we go out to eat. On Sunday I will get up have some breakfast and watch TV before going back to the group home.

My mother and father have an Amish family that has moved all the way to New York up so close to Canada that you can step out of the Amish friends house that if you step out of their back yard you can see Canada. My mother was in the downstairs part in the middle of the night Enos the Amish man hollered for my mother saying theirs something wrong with Emma his wife and my mother ran up the stairs and Emma was having trouble breathing and sadly Emma ended up passing away.

Over the Rainbow

Has anyone ever seen the end of the rainbow? I have and you know that saying about a pot of gold at the end of the rainbow, there was not any. But it was a double rainbow and it was beautiful to see. I

would have taken a picture, but I left my camera in the locker room

at the YMCA. By the time I got back to the locker room, it was gone.
