# Spotlight

Interviewed and typed by: Haley

## SPOTLIGHT

I Haley interviewed Amber, one our staff, I asked her how long she has worked for Stonebelt. She said she has been with the company for a year. Amber likes working wit the different people (clients and staff). Her previous job was in construction. She also mentioned that she has four brothers; one sister and 2 dogs. She doesn't have any hidden talents but she can shoot a gun. Amber also likes to watch basketball or football and she like the Colts. I also ask if she has lived in any other states yes she has: Germany, South Carolina, Virginia and Afghanistan.

St. Louis Arch is 630 Ft tall and 630 Ft wide the Arch is made of stainless steel. It is right next to the Mississippi River you can go in the Arch and you will see a museum and a Gift Shop. You can go to the top of the arch and look down from the windows, you can see almost all of St. Louis, and it is an awesome view. I hope you go there sometime.
