March is Disabilities Awareness Month
The Arc of Bartholomew County held its annual dance and Stone Belt Clients attended and enjoyed good food and great music.

Special Olympics News
March Madness isn’t just for the NCAA (Collage Basketball). March Madness is also in Special Olympics. Special Olympics Basketball Sectionals were recently held at Hauser High School in Hope. The teams of Bartholomew-Brown-Jennings (BBJ) won their sectionals and would have advanced to State Competition, but due to the bad snow weather, the State Competition was cancelled. Congratulations to Isaac Spear and the BBJ Lakers and to Taylor Dobbins and Joe Cox and the BBJ Pirates. Good Luck at State!

**Hi! I am Amber Teuker. I did I Am You this year. My story was about my life and my grooming school also my employment. I am a certified dog groomer. I took classes at the grooming school in Greenwood. I focus on Yorkies, Doodles, Poodles and Newfies. I’ve worked in this field for over 5 years. I am learning how to style new breeds and how to run a business, because some day I want to run my own business. I learned to shave dogs, bathe them, and clip their nails. This past fall I got an employment award from Stone Belt by being a good employee at my job. My family and friends were there along with some of my staff to see me get it. It was a proud moment for me to get this award. It meant people thought I was doing a good job and valued my work. My boss, Teresa has been very helpful. She has been helping me train the dogs to go up to the ramp, and she is also showing me how to groom different dog’s different ways. She trusts me to do my job, and she is working with me to make me a better employee. Like I said, my personal goal is to learn the business, and someday be able to have my own grooming shop. What do you think of... “Amber’s Dog Grooming”? I like the sound of that!*

---

**Story written and typed by Amber**

Fun Food-Filled Fact: Did you know lettuce loves fat? Fat can be removed from hot soup by floating a large lettuce leaf on the Surface!

Exciting News!!

Introducing our new program called “The Action Club”. This club is always on the go. In the month of March, we have learned about the Native American Indians. We made Dream-Catchers and some pottery and Totem Poles.
