**Action Club Works On United Way Garden**

The Action Club got together and decided on what to plant in the garden in front of the United Way Center which is where Stone Belt Day Program is located. The Action Club went to Wal-Mart and bought flowers and herbs and brought them back to plant. Since summer is over and fall has begun they decided to plant mums.

**TIP:** Plants need water to grow. Without rain, we have to water the plants ourselves!

Swimming Fun

Every Thursday morning we go swimming at the YMCA in Brown County. We have fun throwing the ball in the swimming pool. We sometimes go in the sauna room and steam room but sometimes the sauna and steam room don’t work then we stay in the pool. The guys like to do handstands, do flips, and do laps. Everyone has fun!!!!
